

Sun, sea, sailing

Luxury Catamaran Sailing

Imagine the pleasure of boarding a luxury catamaran as you embark on the ideal sailing charter to the golden beaches of Papagayo! Catlanza departs from Puerto Calero, the most exclusive and attractive marina in the Canary Islands. Our complimentary bus will collect you from your resort and bring you directly to the harbour. Here after a welcome from the crew, we leave the marina and sail towards the beaches of Papagayo. Now is the time to start relaxing as the bar is open and drinks and fresh fruit are served. Sit back and enjoy the luxury of being one of Catlanza's special guests. For those who have always wanted to have a go at sailing a yacht, the captain and crew are delighted to encourage you to trim sails, take the helm and generally get involved.

Arriving at the beautiful beaches of Papagayo, we drop anchor and it is time for a relaxing swim or snorkelling in the crystal clear waters.

The more adventurous can enjoy a free jet-ski ride with our professional instructor.

As you dry off in the sun, lunch is served on board: a delicious meal of pasta with a choice of tuna or vegetarian sauce, salad, and bread and butter.

After a final swim, we raise anchor and sail gently back along the coast to port. With a drink in your hand, you can look out for dolphins and pilot whales as the end to a perfect day...
