

## Big game Fishing

Tino Garcia is one of the Canary Island's first skippers to do deep sea fishing professionally. He first began to work with an owner of a big game fishing boat from Kenya in 1969.

Tino speaks both English and German apart from his native Canarian Spanish language. He is well educated in navigation and has more than 30 years experience in Canarian waters.

Fishing is both his hobby and his lifetime work. Tino and his crew will ensure you have fantastic days fishing in Lanzarote. Totally equipped boats with all guarantees of security and comfort, Catapiller engines and the best electronic equipment like satellite G.P.S. Plotter, Sonar, Fish Finder, etc.

Our fire installation and radio telephone system covers any eventualities and all passengers are fully ensured.

We can insure we have the best and safest boats in Lanzarote.

Come on board for the fishing time of your life!

Prices include free transportation from your hotel/residence and back, light lunch on board and fishing equipment, bait and any assistance you require in catching those "big whoopers"

Private charters and charters for competitions are available too.
