

A marina of true Beauty & Elegance

Puerto Calero

Visit the most beautiful marina in the Canary Islands. With a wide variety of restaurants, bars and small businesses it is an ideal place to while away a relaxing day.

The comfortable buses depart daily from many pick up points near your hotel in Costa Teguise, Playa Blanca and Puerto del Carmen and bring you to Puerto Calero.

Huge yachts and sailing boats will grab your attention and lively bars and restaurants invite for a drink or lunch. Highly recommended are "Mc Sorley's" bar and "Casa Rosa" restaurant where you can get great food and a good selection of wine.

Worth a visit is the Dolphin and Whale museum providing many interesting information about these friendly mammals living in the waters around Lanzarote.

Many activities are offered at the marina: from excursions on a luxury catamaran or a submarine to sport fishing or private yacht charter. Scrolling along the water-side shops and small businesses you'll find some great souvenirs for your friends at home.

After a relaxing day at the marina the bus takes you back to your hotel. Departures are several times a day, from the early afternoon till late at night.

Person: 8 Euros
Family: 15 Euros
