

## A taste of real Sailing

### Private Yacht Charters

Our day cruises are a fabulous way to experience a taste of real sailing.

Come with us and help sail a luxury 50ft yacht or simply sit back, relax and let our professional crew take care of you.

We can make the day as relaxing or as stimulating as you wish!

We will sail to a picturesque bay where, whilst at anchor, you can swim, snorkel, sunbathe on deck, enjoy lunch and the freedom of this yacht which is yours for the day. Drinks included.

The business is owned and operated by a qualified commercial Yachtmaster and RYA Cruising Instructor, who is experienced in sailing in these waters, as well as having gained a great deal of experience in UK waters, the Mediterranean, and Australia.

He will be only too happy to teach you some of the fundamentals of sailing theory and allow you to put them into practice by taking the helm!

No previous sailing experience is necessary.
